

Club Fundraising Request Form

Important Information

- All fundraising activities (whether on- or off-campus) by clubs must be pre-approved by both the Student Senate and the Casper College Foundation. This is pursuant to a new CC policy approved by the Board of Trustees in 2021.
- Student Senate will vote on this request at the next Wednesday Senate meeting. Following that vote, please allow a minimum of 7 days for the CC Foundation to approve or deny the request. You will be notified of the outcome.
- Clubs may not engage in fundraising activities (including off-campus) that violate College policies. Examples of prohibited activities include holding fundraising events in bars, selling alcohol, purchasing or raffling off alcohol or weapons (even if they are donated), etc.
- When completed, turn this form into the Student Life Office (UU 402) during normal business hours.
